

Yearly meeting of the Biomedical Photonics Network

Friday 1st of November 2013 at the Inselspital in Bern

We invite all those working in the area of biomedical photonics (medicine, biology, physics, computer science, engineering and industry) to attend the yearly meeting of the Biomedical Photonics Network (*bmpn*). The meeting will provide an excellent opportunity for the participants (young researchers are particularly welcome) to present their research and build personal contacts. The meeting language is English. Please note that the date is a public holiday in some cantons and we hope that this facilitates participation for those involved in clinical practice.

Abstracts for oral and poster presentations are accepted as pdf or MS word files and include: Title, authors, affiliation, abstract text (< 250 words), indication of preference (oral/poster). Please send your abstracts until September 27th, 2013 to ursula.wolf@kikom.unibe.ch

Award: Participants \leq 35 years of age may compete for an award sponsored by NEUROSPEC AG (Switzerland) for the best oral or poster presentation. Therefore please indicate the age of the presenting person on the abstract.

Registration is mandatory: Please register through the website <http://www.bmpn.ch> and the latest by October 13th, 2013; for further information check here: <http://bmpn2013.weebly.com>. The meeting is free of charge for members of University of Bern, Inselspital, SSOM and CIMST. Registration fee at the meeting CHF 50.- or apply for SSOM membership (CHF 30.-).

Preliminary Program:

09:30-10:00 Registration, coffee and croissants
 10:00-12:00 Presentations
 12:00-14:00 Lunch and poster viewing
 14:00-15:30 Presentations
 15:30-16:00 Award presentation and closing

Venue: The Langhans auditorium at the Inselspital (entrance 43A). It can easily be reached from Bern main station by public transportation or 15 min walk (see <http://www.insel.ch/en/directions/> or <http://www.bernmobil.ch/Seiten/fahrplan/linienubersicht/Fahrplan-nach-Linien-Stadtnetz/?oid=1807&lang=de&haltestelle=23>)

Contacts

For scientific questions: PD Dr. Ursula Wolf, ursula.wolf@kikom.unibe.ch, Tel. 031 632 9758
 Dr. Christian Rummel, christian.rummel@insel.ch, Tel. 031 632 8038
 For technical questions: Yvonne Fasser, yvonne.fasser@kikom.unibe.ch, Tel. 031 632 9758
